Scholarship Application

One application. Many Scholarships.

The following is the comprehensive list of scholarships included in the PSD Scholarship Application. As you work through the scholarship application, you will be uploading materials that will be sent to all the scholarships. However, over half of the scholarships require *additional* application materials. These materials are specified in the individual scholarship descriptions. You will upload these materials in Section 10 of the application. Also, some scholarships are only offered to certain high schools. You will see the high school in parenthesis next to the name of the scholarship. If you do not attend that high school, you do not meet the criteria.
